Don't hit the open houses yet

Make sure your finances are in order so you know what you can realistically afford. Knowing what you can afford can narrow down your home search and save you a lot of time. You don't want to fall in love with a home only to find out you can't afford it. Speak to a CIBC FirstCaribbean Relationship Manager who can advise you what you can afford.

The CIBC logo is a trademark of Canadian Imperial Bank of Commerce, used by FirstCaribbean International Bank under license.
